- All sections must be completed before your Case Manager can issue medical travel and transportation benefits.
- Your Case Manager will use your starting destination and end location and enter them into a program which calculates distance traveled.
- If there is a discrepancy in the kilometers declared, the lower amount of your declaration and the distance calculator we use, will be the amount to be paid.
- If you are using your vehicle or a friend or family vehicle, verification of valid insurance must be provided.

Please complete forms in full and deliver to:
Ontario Works, 362 Montreal Street, Kingston, ON K7K 3H5
