A By-Law to Consolidate the Delegation of Powers and Duties

Passed: October 4, 2016

Whereas Section 8 (1) of the Municipal Act, 2001, S.O. 2001, c. 25, provides in part, that the powers of a municipality under the Municipal Act shall be interpreted to enable the municipality to govern its affairs as it considers appropriate; and

Whereas Section 23.1 (1) of the Municipal Act, 2001, S.O. 2001, c. 25, authorizes a municipality to delegate its powers and duties, subject to certain restrictions; and

Whereas Kingston's City Council has deemed that the delegation of certain administrative and legislative powers would contribute to the efficient management of the City while still adhering to the principles of accountability and transparency; and

Whereas Kingston's City Council has previously delegated authority to Committees and officers and employees of the Corporation of the City of Kingston, in a number of areas through By-law and Council Resolution, in accordance with prevailing legislation; and

Whereas Kingston's City Council considers that it is appropriate to consolidate all existing delegation of authority into one By-law;

Therefore be it resolved that the Council of The Corporation of the City of Kingston hereby enacts as follows:

1. That this By-law may be referred to as the "Delegation of Authority By-Law".
2. Council delegates the powers, duties, and restrictions thereto as set out in the Consolidated List of Delegations of Authority (Schedule "A" to this By-law) to those officers, employees, or committees listed in Schedule "A".
3. Where this By-law has delegated authority to a Commissioner, if the Commissioner has in writing designated a Director to serve as Acting Commissioner, or where an Acting Commissioner has been appointed by Council or the Chief Administrative Officer, in the absence of the Commissioner, the Acting Commissioner may exercise the delegated authority.
4. Should any position identified in this By-law with a delegated authority, other than that of a Commissioner, no longer exist in the Corporation, then the commissioner described as responsible for the delegated authority may in writing designate another person to assume the delegated authority.

5. Where the exercise of a delegated authority requires the expenditure of money, funding for the expenditure shall be included in an approved budget and all relevant requirements of the Purchasing By-Law 2000-134, as amended, or any successor Purchasing By-Law shall be followed.
6. Where the delegated authority listed in Schedule “A” authorizes the execution of an agreement, the agreement shall be approved by the City Solicitor prior to its execution;
7. All relevant By-laws and resolutions of The Corporation of the City of Kingston shall apply to the exercise of delegated authority authorized by this By-law.
8. Council hereby confirms that it is of the opinion that all legislative powers under any Act delegated to an officer or an employee of the Corporation are minor in nature, within the meaning of Subsection 23.2 (4) of the Municipal Act, 2001, S.O. 2001, c. 25.
9. This By-law shall come into force and take effect on the date of its passing.
