New Motions

1. Moved by Councillor M^cLaren
Seconded by Councillor Hutchison

Whereas workers injured on the job turn to the Workplace Safety & Insurance Board (W.S.I.B.) for medical and financial assistance; and

Whereas navigating the W.S.I.B. system has become more onerous for workers; and

Whereas non-union workers may access assistance with dealing with the W.S.I.B., through the Office of the Worker's Adviser; and

Whereas non represented injured workers in the Kingston catchment area from Trenton to Brockville may only access the Office of the Worker Adviser in either Scarborough or Ottawa, putting an unfair burden on those workers; and

Whereas those two locations are currently experiencing caseload backlogs of one year or more; and

Whereas local advisory resources, such as legal clinics, require non-represented injured workers to have an income level that is below the poverty line, thus disqualifying most from representation; and

Whereas more new jobs in Kingston and more visits to Kingston is good for the local economy;

Therefore Be It Resolved That the City Council of Kingston requests that the Province of Ontario set up an Office of the Worker Advisor in Kingston as soon as possible; and

That this motion be sent to Kathleen Wynne, the Premier of Ontario, Kevin Flynn, Minister of Labour, and Sophie Kiwala, MPP for Kingston and the Islands.
