

Hi Derek,

At the 9 November AAC meeting, can we add to the agenda the approval of the Professional Development Working Group members? Tricia sent her regrets to the meeting but Jane and I will be there and can facilitate the discussion.

Do you need anything from us other than the names of who we've confirmed and are seeking approval for? See below.

Thanks!
Danika

AAC MEMBERS:

Tricia Baldwin (Director, Isabel Bader Centre for the Performing Arts)
