Subject: 268 Victoria St

Dear Mr. Sands,

My name is Daniel Weisberg. I am property owner at 250 Victoria St in Kingston since 2005. My neighbour Eugene Zaremba has brought to my attention that a new owner at 268 Victoria would like to block the lane that leads to my tenants parking spot in the rear of my property. My tenants use the lane, and if it is blocked, they will have no other parking.

Please see attachment document from when I bought the property. My understanding when I bought the property is that I will have access to my back yard/parking from Earl St.

Thanks Daniel Weisberg [REDACTED]
