Motion of Condolences

1. Moved by Mayor Paterson
Seconded by Deputy Mayor Candon

That the sincere condolences of Kingston City Council be extended to the family, friends, and coworkers of Darren Smith, Supervisor, Recreation Facilities, who passed away suddenly on September 21, 2018 at the age of 46. Darren's career spanned over 29 years with the City of Kingston working in Marinas and later as a leader in Arenas. He made a positive contribution to the department and was well respected for his dedication to his job and commitment to serving the community. Darren was deeply admired by staff across the City of Kingston for his generosity and character. He has left a legacy of kindness and respect for others and will be greatly missed by so many. Our thoughts are with his family during this difficult time.

Reports

Report Number 81: Received from the Chief Administrative Officer (Consent)

Moved by Councillor Hutchison

Seconded by Councillor Neill

That Report Number 81: Received from the Chief Administrative Officer (Consent) be received and adopted.

To the Mayor and Members of Council:

The Chief Administrative Officer reports and recommends as follows:

Council consented to the separation of Clauses 1, 5, 6 and 10 and the withdrawal of Clause.

1. **Supplementary Report – Heritage Permit Application – 286 Johnson Street**

Whereas at its September 18, 2018 meeting, Council deferred its decision on the alterations to 286 Johnson and directed staff to obtain an opinion from a specialist in architectural Heritage conservation; and

Whereas an opinion letter has been obtained from Lindsay Reid, OAA, CAHP, LEED, AP of Branch Architecture which provides recommendations regarding the proposed siding for the new addition and for the design and materials of the replacement windows that differ from staff's original recommendation and which are supported by staff;

Therefore Be It Resolved That the recommendation contained in Report Number HK-18-057 be amended to insert the text noted in bold, and delete the text noted with strikethrough so that it reads as follows:

That the alterations to the property at 286 Johnson, be approved in accordance with the details described in the application (File Number P18-077-2018), which was deemed complete on July 19, 2018, with said alterations to include:

1. Demolition of the existing kitchen nook on the rear addition and reconstruction of a new kitchen nook on the existing foundation with **either vertical wood siding or** vertical simulated wood siding, vinyl casement windows and a black asphalt shingle roof;
2. The replacement of all windows on the rear (south) ~~with a combination of white vinyl casement and sash windows~~ **elevation of the original (heritage) building and side porch with sash windows in wood or an acceptable material as specified by the Old Sydenham Heritage**

Conservation District (i.e. wood with painted extruded aluminum exterior, fiberglass with painted extruded aluminum exterior, vinyl with painted extruded aluminum exterior or thermally broken extruded aluminum frames with painted exterior finish);

3. The replacement of all windows on the rear additions with vinyl casement windows;

4. The replacement of the existing asphalt shingle roof on the principal dwelling and rear one-storey addition with new roof shingles in like-for-like materials and colour; and

That the approval of the alterations be subject to the following conditions:

1. A Building Permit shall be obtained for the rebuilding of the rear kitchen nook;

2. The design and material of the windows on the original (heritage) building and side porch shall be submitted to Heritage Planning staff to confirm that they comply with Section 5.3.2 of the Old Sydenham Heritage Conservation District Plan, being wood or other preferred option as cited in the Section;

3. Details pertaining to the design of the **vinyl windows on the rear additions** shall be submitted to Heritage Planning staff to ensure their compatibility with the existing architectural composition of the rear elevation; and

4. Details pertaining to the simulated vertical wood siding shall be submitted to Heritage Planning staff to assess its equivalency in quality to the preferred options in the old Sydenham Heritage Conservation District Plan (i.e. brick masonry, wood clapboard, fibre cement board with paint finish, stucco or wood shingles) and to ensure its compatibility with the existing architectural style of the rear elevation.
