New Motions

1. Moved by Councillor McLaren
Seconded by Councillor Boehme

Whereas Lyme disease is an emerging serious and preventable microbial threat that is now the most common tick-borne illness in Canada; and

Whereas there are many knowledge gaps in current testing, diagnosis, intervention, and treatment; and

Whereas the Canadian Institute of Health Research has put out a call to create a Canadian Lyme Disease Research Network with the vision of reducing the impact of Lyme disease on the health of Canadians; and

Whereas In Partnership with Queen’s University, KFL&A Public Health and others, Dr. Kieran Moore Ministry of Health’s (MOH) proposal to create a National Lyme Disease Research Network will facilitate and support collaboration among Lyme Disease stakeholders; create a longitudinal patient cohort and associated biobank; build foundational resources to support collaborative research in the areas of detection, diagnosis and treatment; develop surveillance and epidemiological tools to inform risk reduction among Canadians; and develop evidence-informed multidisciplinary curricula, training and knowledge translation tools for Canadian health care professionals, medical students and the general public;

Therefore Be It Resolved That Kingston City Council enthusiastically support Dr. Kieran Moore MOH’s application in partnership with Queen’s University and others, to the CIHR Team Grant: Research Network on Lyme Disease entitled, “*A National Research Network on Lyme Disease*”; and

That a formal copy of this motion be shared with the CIHR care of Dr. Moore MOH, KLF&A Public Health.
