

PROCLAMATION

Dietitian's Day

March 20, 2024

Whereas Registered Dietitians are experts on food and nutrition, and use their knowledge and skills to improve the health and nutritional status of individuals and populations; and

Whereas Dietitians understand the socio-cultural, environmental, financial, emotional, and sensory impact of food, and use this understanding to support the diverse needs of their patients/clients; and

Whereas Dietitians work throughout the Kingston community in public health units, hospitals, family health teams, grocery stores, food companies, universities, and private practice; and

Whereas Dietitians are advocates for advancing health of Kingstontians through the power of food and nutrition.

Therefore, I, Mayor Bryan Paterson, on behalf of Kingston City Council, hereby proclaim March 20, 2024 as "Dietitian's Day" in the City of Kingston.

Dated at Kingston this 21st day of February, 2024.

Bryan Paterson
Mayor
