Planning Committee Meeting Number 19-2018 Agenda  
Thursday October 4, 2018 at 6:30 p.m., Council Chamber, City Hall

### Public Meeting Introduction

**“NOTICE OF COLLECTION** – Personal information collected as a result of this public hearing and on the forms provided at the back of the room is collected under the authority of the *Planning Act* and will be used to assist in making a decision on this matter. All names, addresses, opinions and comments may be collected and may form part of the minutes which will be available to the public. Questions regarding this collection should be forwarded to the Director of Planning and Development.

The purpose of public meetings is to present planning applications in a public forum as required by The Planning Act. Following presentations by the applicant, Committee members will be afforded an opportunity to ask questions for clarification or further information. The meeting will then be opened to the public for comments and questions. Interested persons are requested to give their name and address for recording in the minutes. There is also a sign in sheet for interested members of the public at the back of the room.

No decisions are made at public meetings concerning applications, unless otherwise noted. The public meeting is held to gather public opinion.

An exception to this rule is combined reports, which consolidates the Public Meeting & Comprehensive Reports. These applications are deemed by staff as straight forward and routine. This business practice has been in place for a number of years and is received by the applicants as efficient customer service and effective use of committee time. Please note that staff use discretion in determining if an application can be a **Combined Public Meeting/Comprehensive Report** to expedite the approval process.

Public meeting reports are provided to inform the public of all relevant information. Information gathered is then referred back to Planning and Development Staff for the preparation of a comprehensive report and recommendation to Planning Committee. This means that after the meeting tonight, staff will be considering the comments made by the public in their further review of the applications.

When this review is completed, a report will be prepared making a recommendation for action to this Committee. The recommendation is typically to approve (with conditions) or to deny. This Committee then makes a recommendation on the applications to City Council. **City Council has the final say on the applications from the City's perspective.**

Following Council decision notice will be circulated in accordance with the Planning Act. If a person or public body would otherwise have an ability to appeal the decision of the Council of the Corporation of the City of Kingston to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the City of Kingston before the by-law is passed, the person or public body is not entitled to appeal the decision.

Planning Committee Meeting Number 19-2018 Agenda  
Thursday October 4, 2018 at 6:30 p.m., Council Chamber, City Hall

**Public Meeting**  
**Held Pursuant to the Planning Act**  
**6:30 p.m.**  
**Zoning By-Law Amendment**

The following is a Public Meeting report to the Planning Committee regarding an application for a zoning by-law amendment submitted by the City of Kingston Recreation & Leisure Services Department and Ventin Group Architects on behalf of City of Kingston, with respect to the subject site located at 15 Grenadier Drive. This report describes the proposed application and includes an overview of the relevant policies and regulations that will be evaluated as part of a future comprehensive report.

It is proposed to establish the Kingston East Community Centre on the subject site, which includes a one-storey, 1,865 square metre building, with a 230 square metre outdoor splash pad area, outdoor lounge area, hard and soft landscaping, and a parking area for up to 52 vehicles.

The subject site is designated 'Open Space' in the Official Plan and is zoned 'I' (Institutional Zone) and 'D' (Development Zone) in Zoning By-Law Number 32-74, as amended.

The proposed zoning by-law amendment will establish a site-specific 'I' (Institutional) Zone on the subject property. The proposed 'I' zone will address specific development standards such as the establishment of a parking rate specific to the community centre use, permission for overflow parking off-site at La Salle Secondary School, and is intended to ensure the proposed accessory uses are permitted as part of the community centre. Proposed uses include a fitness studio, washroom and changeroom facilities, a gymnasium and storage space, an indoor walking track, common lounge space, a kitchen and server, drop-in child care centre, multi-purpose rooms, reception area and staff room, office spaces and a waiting and lounge area.

Previous reports to Council have described the public consultation and site selection process for the Kingston East Community Centre. [Council Report Number 15-017](#), which was approved by Council at their meeting on March 24, 2015, recommended Grenadier Park as the location for the future east end community centre.

The property is also the subject of an application for Site Plan Control approval under the Planning Act (File Number D11-034-2018). An application has been submitted and is currently under review.
