

## **Parks Development - Wheathill Street Park**

### **Public Engagement Summary**

#### **Key Dates:**

- **Open House:** April 24, 2019 at the INVISTA Centre
- **Get Involved Kingston survey:** April 24 – May 16, 2019

#### **Project Summary:**

A proposed concept was presented for the future community park that illustrated how it would be connected to the future school site, a selection of playground options and others. Park amenities include a splash pad, shade shelter, amphitheatre, pathways, trees and area for future community garden and skating rink.

#### **Feedback Summary:**

- The drawings for the park were well received.
- Of the playground options presented, the Apollo, the platform styled junior play structure and the spring riders were preferred.
- Most people expect to use the park for walking, free play, playground, picnicking and bicycling.
