

**Ron Lavallee Memorial Kiwanis Park** is a 1.35 hectare park located on Fourth Avenue between Kingscourt Avenue and Lorne Street. The park currently features a playground, splash pad, tennis court, junior softball and baseball diamonds and an unused park building.

**As part of the improvements, we plan to:**

- Replace the existing playground equipment and improve accessibility
- Create new pedestrian connections
- Replace the existing unused park building with a new community gathering space containing a shade structure, benches and picnic tables
- Add minor enhancements to the sports fields and tennis court
- Add more tree planting to the park
