Petition

1. A petition bearing approximately 418 signatures was presented by Councillor Doherty to Council on January 22, 2019 which reads as follows:

“Petition for the installation of a traffic control light and proper crosswalk at Norman Rogers Drive and Sir John A. Macdonald Boulevard. The intersection of Norman Rogers Drive and Sir John A. Macdonald Boulevard is dangerous. A traffic control light and proper crosswalk is needed on an urgent basis. I live in the neighbourhood. This is a very busy intersection for pedestrians, cyclists, cars and school buses. Hundreds of people cross daily to access the 701/702 express bus. People of all ages and abilities cross here – children, seniors, students, parents with baby strollers, skateboarders, etc.

The recent collision with a pedestrian confirmed our worst fears.

The time is long overdue to fix this danger to the public. Please implement the decision of City Council from 2016, to reduce the speed on Sir John A. Macdonald Boulevard and install a traffic control device and proper crosswalk, on an urgent basis.

Whereas Section 9.1 of By-Law Number 2010-1, "Council Procedural By-Law", as amended, states that "meetings of Council are held at City Hall in the Council Chambers at 216 Ontario Street unless otherwise decided by resolution of Council"; and

Whereas in keeping with the City of Kingston's Open Government initiatives, it is desirable to engage the public and provide community outreach by relocating periodically to an off-site functional meeting space;

Therefore Be It Resolved That Council waive By-Law Number 2010-1, as amended, in order to hold the Council Strategic Planning Sessions, on Tuesday, March 26th, Wednesday, March 27th, Thursday, March 28th, and Wednesday, April 17th 2019, commencing at 6:00 p.m., in Room 312, Goodes Hall, Queen's School of Business, Queen's University, 143 Union Street, Kingston, Ontario and a Special Council Meeting with respect to Council Education related to municipal demographics, growth plan and corporate strategic studies, to be held on Wednesday, February 20th, 2019, commencing at 6:00 p.m., at the St. Lawrence College Conference Centre, Ground Floor, 100 Portsmouth Avenue, Kingston, Ontario.

Notice of Motion

1. Moved by Councillor Doherty
Seconded by Councillor Neill

Whereas Bill 66, Restoring Ontario's Competitiveness Act is currently under consideration by the Legislative Assembly of Ontario; and

Whereas Schedule 10 of Bill 66 amends the Planning Act to add a new section 34.1, which allows local municipalities to pass "open-for business by-laws" with approval in writing by the Minister; and

Whereas the "open-for-business by-law" would override critical legal requirements to protect water, natural heritage, farmland and human health; and

Whereas these by-laws would take precedence over municipal official plans; and

Whereas no public notice or hearing is required prior to passing an open-for-business planning by-law; and

Whereas development approval by the Minister under the open-for-business by-law will not be subject to site plan control application and there will be no option to appeal to the Local Planning Appeal Tribunal;

Therefore Be It Resolved That if Bill 66 becomes law, this Council will only submit for approval under Schedule 10 developments that pose no risk to the environment and have full support from the public.
