Planning Committee Meeting Number 03-2019 Agenda
Thursday January 10, 2019 at 6:30 p.m., City Hall, Council Chamber

Public Meeting Introduction

“NOTICE OF COLLECTION – Personal information collected as a result of this public hearing and on the forms provided at the back of the room is collected under the authority of the *Planning Act* and will be used to assist in making a decision on this matter. All names, addresses, opinions and comments may be collected and may form part of the minutes which will be available to the public. Questions regarding this collection should be forwarded to the Director of Planning and Development.

The purpose of public meetings is to present planning applications in a public forum as required by The Planning Act. Following presentations by the applicant, Committee members will be afforded an opportunity to ask questions for clarification or further information. The meeting will then be opened to the public for comments and questions. Interested persons are requested to give their name and address for recording in the minutes. There is also a sign in sheet for interested members of the public at the back of the room.

No decisions are made at public meetings concerning applications, unless otherwise noted. The public meeting is held to gather public opinion.

An exception to this rule is combined reports, which consolidates the Public Meeting & Comprehensive Reports. These applications are deemed by staff as straight forward and routine. This business practice has been in place for a number of years and is received by the applicants as efficient customer service and effective use of committee time. Please note that staff use discretion in determining if an application can be a **Combined Public Meeting/Comprehensive Report** to expedite the approval process.

Public meeting reports are provided to inform the public of all relevant information. Information gathered is then referred back to Planning and Development Staff for the preparation of a comprehensive report and recommendation to Planning Committee. This means that after the meeting tonight, staff will be considering the comments made by the public in their further review of the applications.

When this review is completed, a report will be prepared making a recommendation for action to this Committee. The recommendation is typically to approve (with conditions) or to deny. This Committee then makes a recommendation on the applications to City Council. **City Council has the final say on the applications from the City's perspective.**

Following Council decision notice will be circulated in accordance with the Planning Act. If a person or public body would otherwise have an ability to appeal the decision of the Council of the Corporation of the City of Kingston to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the City of Kingston before the by-law is passed, the person or public body is not entitled to appeal the decision.

Planning Committee Meeting Number 03-2019 Agenda
Thursday January 10, 2019 at 6:30 p.m., City Hall, Council Chamber

Public Meeting
Held Pursuant to the Planning Act
6:30 p.m.
Zoning By-Law Amendment

The following is a Public Meeting and comprehensive report recommending approval to the Planning Committee regarding an application for a zoning by-law amendment submitted by Karen Stevenson, on behalf of Limestone Advisory for Child Care Programs, with respect to the subject site located at 930 Woodbine Road.

The subject lands are located on the north side of Woodbine Road, south of Princess Street and west of Bayridge Drive. Exhibit D - Neighbourhood Context (2015) shows the site is bordered by Commercial development to the north and east, and single-detached residential uses to the south and west. The lands are currently developed with a 456 square metre single-storey building and 32 parking spaces in an at grade parking lot. There are three vehicular entrances and one pedestrian connection to Woodbine Road. A public sidewalk exists on the south side of Woodbine Road.

The subject property is designated Housing District on Schedule 2 – City Structure, Arterial Commercial on Schedule 3-A – Land Use in the City’s Official Plan (Exhibit E – Official Plan, Land Use), and zoned the Open Space Zone (OS) in Zoning By-Law Number 76-26 (Exhibit F - Existing Zoning, Zoning By-Law Number 76-26, Map 5). The permitted uses of the OS Zone include recreational uses, a private club, and public uses. The building was formerly an Ontario Early Years Centre and nursery school (Limestone Nursery School).

The former Ontario Early Years Centre was funded by the Government of Ontario and was considered a public use under the Open Space (OS) Zone in Zoning By-Law Number 76-26. With the Early Years Centre no longer in operation on the site, the owners are looking to continue the child care operations by expanding their half day nursery school services to include 16 full day licensed daycare centre. The 16 space licensed daycare centre will be within the existing building in the former Ontario Early Years space. The owners have indicated that no changes are required to the site in order to accommodate the proposed use.

Planning Committee Meeting Number 03-2019 Agenda
Thursday January 10, 2019 at 6:30 p.m., City Hall, Council Chamber

The proposal is compatible with the surrounding land uses. It is consistent with the applicable policies of the Provincial Policy Statement and complies with the general intent of the City of Kingston Official Plan. The requested zoning by-law amendment represents good land use planning.

File Number: D14-037-2018
