5.5 Community Improvement Project Area 5 (40 Sir John A. Macdonald Boulevard)

Community Improvement Project Area 5 was approved in [date] and comprises the property of the former Prison for Women, located south of Union Street, west of Sir John A. Macdonald Boulevard and north of King Street West. The property has an area of approximately 3.27 hectares, with the following approximations of frontage: 175 metres on Sir John A. Macdonald Boulevard, 198 metres on Union Street and 73 metres on King Street West. The site is bounded by the west campus of Queen's University to the north, Institutional and residential uses to the east, institutional uses and Lake Ontario to the south and residential uses to the west. The former maximum-security prison was established in 1934 and was decommissioned in 2000. In 2007, the property was sold by Canada Lands Company Limited, on behalf of the Correctional Services of Canada in 2007 to Queen's University.

The property was sold by Queen's University in 2018 to Siderius Developments Limited. Siderius Developments Limited has informed the City that due to past uses on the property, the site and existing building would require environmental clean-up to facilitate future re-development. In 2018, City Council directed staff to consider the property as a new Project Area within the Brownfield Community Improvement Plan upon receipt of the requisite *Planning Act* application from the property owner to amend the Plan.
