

BUILT ENVIRONMENT WORKING GROUP

MAAC Quarterly Report – May 2019

Members: Andrew Ashby, David Grightmire, Andrew Jones, Donald Mitchell, Nancy Shitta-Bey, Emily Su, David Williams.

Staff: Julie Salter Keane, Community Projects Manager

1. Business:

- **Standards Review:** To continue our commitment to ongoing education of our working group members we try to set aside a portion of each monthly meeting to review sections of particular standards or regulations relating to built environments. This quarter we addressed several issues relating to site plan review. Discussions of application by example to existing active projects. We are also involved in related project teams like Park Design Standards.
- **Briefings** – Staff from Planning Dept focusing on review of 1st year of implementation of accessibility Checklist. Exploring options of other briefings from city departments and provincial standards (like OBC standards) for future meetings.
- **Ongoing Updates** – A portion of each meeting is set aside to review progress in consultations with project managers for current and active projects on BEWG project list and site plans.

2. Active Projects

- Recreation and Leisure - 19
- Facilities Management and Construction - 8
- Engineering – 3
- Transportation - 2
- Policy Review and Other Projects – 7

3. **Next Meeting:** The next regularly scheduled meeting of BEWG is 10 AM on Thursday June 20, 2019 in the Front Lounge at Portsmouth Olympic Harbour.
