Options/Discussion:

Staff recently tendered for construction work for the rehabilitation of a series of local roads throughout the city. Contract ENG-2019-08 is the second of two capital projects tendered in 2019 specifically focused on the rehabilitation of local roads. The first capital rehabilitation project tendered in 2019 is ENG-2019-04, which is the subject of Council Report Number 19-196. The work included in both tenders was identified in Council Report Number [19-133](#) Council Strategic Priorities, and is further detailed in Exhibit A - 2019 Local Road Rehabilitation Projects. As previously committed, staff will present road projects for 2020-2022 for Council consideration during the 2020 budget process.

On Wednesday, June 26, 2019, two bids were received in response to the Request for Tender ENG-2019-08.

- Kiley Paving Ltd. \$1,177,606.00
- Coco Paving Inc. \$1,237,000.00
