

## **BUILT ENVIRONMENT WORKING GROUP**

### **MAAC Quarterly Report – September 2019**

**Members:** Andrew Ashby, David Grightmire, Andrew Jones, Donald Mitchell, Nancy Shitta-Bey, Emily Su, David Williams.

**Staff:** Julie Salter Keane, Community Projects Manager/Janet Jaynes, Deputy City Clerk

#### **1. Business:**

- **Standards Review:** To continue our commitment to ongoing education of our working group members a portion of each monthly meeting is set aside to review sections of particular standards or regulations relating to built environments. This quarter we addressed issues relating to several parking consultations with city and review of passage of updated FADS. Discussions of application by example to existing active projects.
- **Briefings** – no current briefings and continue exploring options of other briefings from city departments for future meetings.
- **Ongoing Updates** – A portion of each meeting is set aside to review progress in consultations with project managers for current and active projects on BEWG project list and site plans, which have been plentiful this summer.

#### **2. Active Projects**

- Recreation and Leisure - 21
- Facilities Management and Construction - 8
- Engineering – 2
- Transportation - 4
- Policy Review and Other Projects – 7

- #### **3. Next Meeting:** The next regularly scheduled meeting of BEWG is 10 AM on Thursday September 19, 2019 in the Front Lounge at Portsmouth Olympic Harbour.
