Planning Committee Meeting Number 18-2019 Agenda  
Thursday September 5, 2019 at 6:30 p.m., City Hall, Council Chamber

**Public Meeting Introduction**

**“NOTICE OF COLLECTION** – Personal information collected as a result of this public hearing and on the forms provided at the back of the room is collected under the authority of the *Planning Act* and will be used to assist in making a decision on this matter. All names, addresses, opinions and comments may be collected and may form part of the minutes which will be available to the public. Questions regarding this collection should be forwarded to the Director of Planning and Development.

The purpose of public meetings is to present planning applications in a public forum as required by The Planning Act. Following presentations by the applicant, Committee members will be afforded an opportunity to ask questions for clarification or further information. The meeting will then be opened to the public for comments and questions. Interested persons are requested to give their name and address for recording in the minutes. There is also a sign in sheet for interested members of the public at the back of the room.

No decisions are made at public meetings concerning applications, unless otherwise noted. The public meeting is held to gather public opinion.

An exception to this rule is combined reports, which consolidates the Public Meeting & Comprehensive Reports. These applications are deemed by staff as straight forward and routine. This business practice has been in place for a number of years and is received by the applicants as efficient customer service and effective use of committee time. Please note that staff use discretion in determining if an application can be a **Combined Public Meeting/Comprehensive Report** to expedite the approval process.

Public meeting reports are provided to inform the public of all relevant information. Information gathered is then referred back to Planning and Development Staff for the preparation of a comprehensive report and recommendation to Planning Committee. This means that after the meeting tonight, staff will be considering the comments made by the public in their further review of the applications.

When this review is completed, a report will be prepared making a recommendation for action to this Committee. The recommendation is typically to approve (with conditions) or to deny. This Committee then makes a recommendation on the applications to City Council. **City Council has the final say on the applications from the City’s perspective.**

Following Council decision notice will be circulated in accordance with the Planning Act. If a person or public body would otherwise have an ability to appeal the decision of the Council of the Corporation of the City of Kingston to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the City of Kingston before the by-law is passed, the person or public body is not entitled to appeal the decision.

**Public Meeting**  
**Held Pursuant to the Planning Act**  
**6:30 p.m.**  
**Zoning By-Law Amendment**

The following is a Public Meeting report to the Planning Committee regarding an application for a zoning by-law amendment submitted by CaraCo Development Corporation, Kingston and Frontenac Housing Corporation & FoTenn Consultants Inc. on behalf of CJM Property Management and the City of Kingston, with respect to the subject sites located at 11 & 27 Wright Crescent (formerly known as 7 Wright Crescent). This report describes the proposed application and includes an overview of the relevant policies and regulations that will be evaluated as part of a future comprehensive report.

The applicant is proposing to amend Zoning By-Law Number 8499 to facilitate the redevelopment of the former Congregation of Notre Dame site, previously known as 7 Wright Crescent. The zoning by-law amendment applies to two parcels of land now municipally addressed as 11 & 27 Wright Crescent. The proposed redevelopment consists of two apartment buildings with a total of 180 rental units. 11 Wright Crescent (eastern parcel) would consist of a 6-storey apartment building containing 140 units with a gross floor area of 10,755 square metres. 27 Wright Crescent (western parcel) would contain a 4-storey apartment building containing 40 units with a gross floor area of 3,194 square metres. Of the 40 units, 10 will be rent-geared-to-income units and 10 will be affordable housing units.

The current zoning permits multiple-family dwellings. An amendment is required to seek relief from a number of performance standards to facilitate the proposed development. The zoning amendments requiring relief include minimum front yard setback, maximum density, minimum number of parking spaces and parking location, minimum number of bicycle parking spaces, minimum amenity area and aggregate amenity area.

Planning Committee Meeting Number 18-2019 Agenda  
Thursday September 5, 2019 at 6:30 p.m., City Hall, Council Chamber

**Public Meeting**  
**Held Pursuant to the Planning Act**  
**6:30 p.m.**  
**Zoning By-Law Amendment**

The following is a Public Meeting report to the Planning Committee regarding an application for a zoning by-law amendment. IBI Group Incorporated has submitted the application on behalf of the owners, 743 King West Inc. and 62 Baiden Inc., with respect to the lands located at 735 King Street West, 15, 21 & 27 McDonald Avenue and 60 & 62 Baiden Street (Exhibit A - Key Map). This report describes the proposed application and includes an overview of the relevant policies and regulations that will be evaluated as part of a future comprehensive report.

The subject lands are known locally as the former Church of the Good Thief site. The lands are currently developed with the former church (735 King Street West), rectory (15 McDonald Avenue) and parish hall (62 Baiden Street) buildings (Exhibit B – Neighbourhood Context (2018)). The church closed in 2013 and these buildings are currently sitting vacant. The Roman Catholic Archdiocese of Kingston intends to maintain the church building as an archive, and successfully rezoned the site in 2016 to permit this use. This 2016 zoning by-law amendment (File Number D14-044-2016) also created multiple site-specific zones on the property to permit low-density residential development around the perimeter of the site. Successful Site Plan Control (File Number D11-054-2016) and Part Lot Control (File Number D27-013-2016) applications supported this proposal. 743 King West Inc. and 62 Baiden Inc. subsequently purchased the lands (excluding the church lot) from the Archdiocese. The new owners have developed a proposal for redevelopment of the lands which differs from that contemplated through the 2016 *Planning Act* applications. The updated proposal is the subject of this zoning by-law amendment application.

The application proposes to demolish the parish hall and construct two three-storey, six-unit modular apartment buildings on the site. One of these buildings will be oriented to face McDonald Street, and the other oriented to face Baiden Street. The application also proposes to convert the rectory building internally to accommodate four dwelling units, thus proposing a total of sixteen dwelling units on the site. Twenty-two at-grade parking spaces are proposed on-site; six of which will provide the required parking for the church archive use and the remaining sixteen spaces will provide one parking space for each proposed dwelling unit. One ingress/egress route to access parking is proposed from Baiden Street for the church and new buildings. A separate ingress/egress route is proposed from McDonald Avenue to access the converted rectory building.

The subject property is designated under Part IV of the *Ontario Heritage Act*. An application (File Number P18-041-2019) for heritage approval related to the proposed demolition and new construction is scheduled to be reviewed by Heritage Kingston on August 21, 2019.

501 FRONTENAC ST, KINGSTON K7K4L9	D14-025-2018	Zoning ByLaw Amendment (ZBA)	Technical Review Complete	<p>The applicant is proposing to rezone the properties known municipally as 495 – 513 Frontenac Street. The subject properties were previously rezoned (D14-055-2013) to accommodate a multi-unit residential building containing 71 dwelling units and 243 bedrooms. The current development plan proposes to increase the number of dwelling units from 71 to 99 units and decrease the number of bedrooms from 243 to 222 bedrooms. Further, with respect to the existing site-specific zone, the applicant is seeking relief to reduce the minimum on-site amenity area and amend the on-site vehicular and bicycle parking ratios.</p> <p>The consolidated parcels have approximately 71.5 metres of road frontage on Frontenac Street with an approximate lot area of 0.364 hectares. The subject site is currently designated 'Residential' in the City of Kingston Official Plan and is zoned site-specific multiple family dwelling 'B3.452' zone. All existing buildings on the site will be removed to accommodate the proposed development.</p>	Steven Chew	schew@cityofkingston.ca
152 GREENLEES DR, KINGSTON K7K6P4	D14-028-2018	Zoning ByLaw Amendment (ZBA)	In Technical Review	<p>The proposed Zoning By-Law Amendment is for 11 vacant lots on Greenlees Drive. Once lot (152 Greenless Drive) currently has a Building Permit issued with a Single family dwelling under construction. The Zoning By-Law Amendment has been requested to increase the maximum lot coverage from 33% as required under By-Law 32-74, to 50%, and to exclude from the lot coverage definition, any reference to uncovered porches, uncovered patios, uncovered decks, and pool aprons with a vertical height greater than 0.5 metre from finished grade. The applicant has also requested to decrease the rear yard setback from 7.5 metres to 6.75 metres.</p> <p>The property is currently zoned Residential R1-13 in the Zoning By-Law number 32-74, and is designated 'Low Density Residential' in the Official Plan.</p>	Sajid Sifat	ssifat@cityofkingston.ca

40 COMPTON ST, KINGSTON K7K5V3	D35-004-2018	OPA, ZBA, DPC, DPS	In Technical Review	Applications for Official Plan Amendment, Zoning By-law Amendment & Draft Plan of Subdivision have been submitted by Fotenn Consultants Inc. on behalf of the City of Kingston and Kingston and Frontenac Housing (KFHC) with respect to the lands located in the Rideau Heights neighbourhood. The subject lands consist of 8 parcels of land and are located in the immediate vicinity of Headway Park. The applications apply to the properties known municipally as 199, 215 & 227 Weller Avenue, 16, 33, 40, 41, 51, 61, 71, 81, 70, 94, 100, 106, 110 & 140 Compton Street, 190, 200, 210 and 220 Wilson Street as well as a portion of 183 Weller Avenue. The lands are currently designated 'Residential' & 'Open Space' in the City of Kingston Official Plan and are located in a site-specific Multiple Family Dwelling 'B1.65' zone as well as a General Recreation 'P' zone in Zoning By-law Number 8499, as amended. Consistent with the Rideau Heights Regeneration neighbourhood plan, in Phase 2 the applicant is proposing to: upgrade the existing fire access lane that bisects Headway Park to a municipal street, increase the residential density through new infill development, strategically renovate or demolish existing townhouse units to create better neighbourhood block configurations and preserve existing units for the longer term, introduce new private lanes to allow vehicle access to the interior of blocks, and reconfigure Headway Park to provide a suitably sized and located neighbourhood park. The proposed applications are intended to support the redevelopment of the neighbourhood to include a mix of social, affordable, and market housing opportunities while addressing existing neighbourhood design challenges. 445 PRINCESS ST, KINGSTON K7L 1C3	D14-030-2018	Zoning ByLaw Amendment (ZBA)	Technical Review Complete	<p>The following is a City initiated temporary use by-law with respect to the properties located in the Williamsville Main Street Commercial Zone (C4 zone of Zoning By-Law Number 8499), including a number of site specific C4 zones. The Williamsville Main Street is located along Princess Street from Division Street to the Bath Road and Concession Street intersection.</p> <p>On October 6, 2015, Council passed an Official Plan amendment and zoning by-law amendment for lands within the Williamsville Main Street Study area to correct a boundary error and to permit surface parking lots as short-term temporary uses within the C4 zone. The purpose of the temporary use provision was to allow surface parking lots for on-going redevelopment along the Williamsville Main Street and provided time for the City to complete a parking strategy for the area. The previous temporary use by-law was enacted for a period of 3 years, which expired on October 6, 2018.</p> <p>The City of Kingston is proposing that Council grant a new 3-year time period for surface parking lots to be permitted as a temporary use in the Williamsville Main Street Commercial Zone. Section 39 of the Planning Act allows municipalities to pass temporary use by-laws for a period of up to 3 years and Council may grant additional 3-year periods during which the temporary use is authorized. A number of site specific development applications have been approved in the last 3 years in the Williamsville Main Street area. The construction of a number of these projects has not yet begun and is expected to commence</p>	James Bar	jbar@cityofkingston.ca

735 W KING ST W, KINGSTON K7M2G3	D14-010-2019	Zoning ByLaw Amendment (ZBA)	In Technical Review	<p>This is a Zoning By-Law Amendment application related to the former Church of the Good Thief property, including the lands containing the rectory and the parish hall. The lands are currently municipally addressed as 735 King Street West, 15, 21 &amp; 27 McDonald Avenue and 60 &amp; 62 Baiden Street. The applicant intends to reconfigure the parcel fabric on the property to accommodate the proposed uses pending a successful rezoning of the site.</p> <p>The lands are within a 'Housing District' on Schedule 2 of the Official Plan, and are currently designated 'Residential' on Schedule 3-A. King Street West is an Arterial Road as shown on Schedule 4 of the Plan. McDonald Avenue and Baiden Street are both local roads. The property is designated under Part IV of the Ontario Heritage Act, and is within the Portsmouth Village Heritage Character Area as shown on Schedule 9. A Zoning By-Law Amendment (File Number D14-044-2016) in 2016 successfully changed the zoning on the subject property from a One Family and Two Family Dwelling 'A' Zone in Zoning By-Law 8499 to multiple site-specific A5 zones to accommodate a proposed plan for the lands at that time. This former concept included internal conversion of the rectory, introduction of an archive use within the Church building, and construction of single family dwellings on the remaining lots. As such, the property is currently zoned site-specific 'A5.519', 'A5.520', 'A5.521' and 'A5.522' zones in Zoning By-Law 8499, as amended. Successful Site Plan Control (D11-054-2016) and Part Lot Control (D27-013-2016) applications also supported the previous concept plan.</p>	Genise Grant	ggrant@cityofkingston.ca

7 WRIGHT CRES, KINGSTON K7L4T8	D14-012-2019	Zoning ByLaw Amendment (ZBA)	In Technical Review	<p>A Zoning By-law Amendment application has been received for lands known municipally as 7 Wright Crescent. The subject lands consist of approximately 0.8 hectares with 140 metres of frontage on Wright Crescent and 79 metres of frontage on Palace Road. The existing three and a half storey building currently located on the site is proposed to be demolished.</p> <p>The property is designated Residential in the City of Kingston Official Plan and zoned 'Multiple Family (B1)' Zone in Zoning By-law No. 8499. The application is requesting an amendment to the Zoning By-law in order to create two site-specific zones to facilitate the development of two apartment buildings. The western portion of the site is proposed to contain a four-storey apartment building with 40 units. Half of the units are proposed to be affordable. Access to the building will be provided off Wright Crescent and a total of 26 surface parking spaces will be provided at the rear of the building. The eastern portion of the site is proposed to contain a six-storey apartment building containing 140 units. Access to the building is intended to be off both Wright Crescent and Palace Road. A total of 158 remaining parking spaces will be provided with 23 parking spaces located at-grade and the remaining spaces provide underground. The two proposed Special Multiple Family Zones for the site would include relief to various zone provisions including minimum front yard setback, maximum density, minimum parking and parking location, communal amenity space, minimum bicycle parking spaces, projections for cornices and minimum amenity area.</p>	Andrea Furniss	afurniss@cityofkingston.ca
