Whereas Conversion Therapy, also known as Reparative Therapy, Reintegrative Therapy, or Sexual Orientation and Gender Identity Change Efforts is any form of treatment, including individual talk therapy, behavioural or aversion therapy, group therapy treatments, spiritual prayer, exorcism, and/or medical or drug-induced treatments, which attempt to actively change someone's sexual orientation, gender identity, or gender expression; and

Whereas Conversion Therapy has been widely denounced as a harmful and unethical practice by major medical and human rights organizations including

New Motions (continued)

Canadian Psychological Association, Canadian Psychiatric Association, and Canadian Association of Social Workers; and

Whereas Bill C-6, An Act to Amend the Criminal Code (Conversion Therapy), passed 2nd reading by a margin of 305 to 7 and was presented to the House of Commons on December 11, 2020; and

Whereas Bill C-6 proposes five conversion therapy-related offences, including:

- a) causing a person to undergo conversion therapy against the person's will;
- b) causing a child to undergo conversion therapy;
- c) doing anything for the purpose of removing a child from Canada with the intention that the child undergo conversion therapy outside Canada;
- d) advertising an offer to provide conversion therapy; and
- e) receiving a financial or other material benefit from the provision of conversion therapy.

Whereas any municipal prohibition on or regulation of conversion therapy may face legislative and jurisdictional challenges, and as conversion therapy is often practiced in secret outside of formal business settings, any such municipal prohibition or regulation would be difficult for municipalities to regulate and enforce; and

Whereas it is deemed that regulation of this practice is better addressed at the federal level where it can be criminalized;

Therefore Be It Resolved That City Council formally denounce the practice of conversion therapy as a dangerous and harmful practice that perpetuates myths and stereotypes about sexual orientation and gender identity; and
