Petitions

1. A petition bearing approximately 740 signature was submitted to the City Clerk's Department by Susan DeLisle stating:

"Indigenous community members and non-Indigenous supporters have been holding a sacred fire and land-based ceremony at City Park which began on Thursday, June 10th, at 6:00 pm and will continue until our objective is met. We demand the John A. Macdonald statue be removed and replaced with a monument that honours residential school survivors and all the children who never made it home.

The undersigned support this ceremonial action and urge Kingston City Council to move quickly to remove the statue and approve funding for a new monument that better reflects and honours the truth of the colonial violence Indigenous peoples have suffered and continue to suffer."
