That the sincere condolences of Kingston City Council be extended to the family and friends of Bill Hackett who passed away on Thursday January 28, 2021. Bill started with Kingston Police in 1951, held several key positions including chief, and retired after 44 years of service, the lengthiest service ever recorded by an officer with the Kingston Police. He continued to serve on the police services board for 16 years until 2019. He also supported numerous charities and organizations in Kingston. His contributions to the Kingston community were significant and we are grateful for the time and energy he invested to make Kingston a better and safer city. His wisdom and knowledge will be missed on the board and among the community. Our thoughts are with Bill's family and friends during this difficult time.
