Options/Discussion:

The February 16th Love Kingston Marketplace Report Number 21-056 includes a number of recommendations to facilitate the implementation of Love Kingston Marketplace in 2021. The report also identifies a number of initiatives that will take place within Springer Market Square and other areas downtown Kingston during the Spring and Summer.

Below are the initiatives included in Love Kingston Marketplace as well as the lead agencies and supporting partners. It is important to note that the Downtown Kingston! Business Improvement Association (DBIA) hired a resource in 2021 to focus and coordinate DBIA led initiatives and communication with businesses. The initiatives will be implemented under ongoing guidance from KFL&A Public Health as it is anticipated that restrictions and protocols will be needed throughout 2021 due to the pandemic.

The two tables below are provided to Council and the public as additional information only and allows for the better understanding of roles and responsibilities with the remaining initiatives.
