

**MAAC Project Team Request – Director’s Approval**

Project Manager: Laurie Paquin

Project Contact: Laurie Paquin

Project Name: Confederation Basin Promenade Creek

Project Location: Flora MacDonald Confederation Basin/Battery Park

Project Description:

This waterfront project includes a new pedestrian promenade pathway from Battery Park toward the navigation beacon at the far end of the breakwall, with look-out opportunities, seating and lounging (freestanding and integrated), lighting, swimming, water’s edge/small craft/spiritual opportunities and emergency vehicle considerations.
