**That** Councillor \_\_\_\_\_ be appointed to the Taxi Commission for a term ending November 30, 2021.

### **New Motions**

1. Moved by Councillor Kiley

Seconded by Mayor Paterson

**Whereas** the horrific finding by the Tk'emlúps te Secwépemc First Nation of unmarked graves of 215 Indigenous children at a residential school in Kamloops, British Columbia has sparked a wave of national mourning, outrage, and calls for continued action on Truth and Reconciliation, residential school education and justice, and decolonization; and

**Whereas** Justice and former Senator Murray Sinclair (also former chair of the Truth and Reconciliation Commission and incoming Queen's Chancellor) has publicly requested that the federal government release remaining documents on residential schools, both government and church copies, a position shared by local and national Indigenous communities; and

**Whereas** municipalities are partners in government with federal and provincial powers and subject to recommendations of the Truth and Reconciliation Commission, including recommendation #77 - "to identify and collect copies of all records relevant to the history and legacy of residential school system...";

**Therefore Be It Resolved That** Kingston City Council - in solidarity with and amplifying Justice Sinclair, Indigenous voices in our community and country, and the TRC - asks the provincial and federal government to release all records related to residential schools to the National Centre for Truth and Reconciliation; and

**That** a copy of this motion be forwarded to Chief Rosanne Casimir, Tk'emlúps te Secwépemc First Nation; National Chief Perry Bellegarde, Assembly of First Nations; MP Mark Gerretsen, Kingston and the Islands; MPP Ian Arthur, Kingston and the Islands; the Right Honourable Prime Minister Justin Trudeau; the Honourable Mark Miller, Minister of Indigenous Services; the Honourable Dr Carolyn Bennett, Minister of Crown-Indigenous Relations; the Association of Municipalities of Ontario; the Federation of Canadian Municipalities; and all opposition party leaders provincially and nationally.

2. Moved by Councillor M<sup>c</sup>Laren

Seconded by Councillor Kiley

**Whereas** homelessness and precarious housing continue to be an ongoing and worsening fact of life for many Kingstonians; and

**Whereas** homelessness and precarious housing have a direct adverse impact on the health of individuals and the community; and

**Whereas** certain populations, including women and Indigenous Peoples, are overrepresented among Kingston's unhoused (55% and 24%, respectively) and have unique experiences of homelessness; and

**Whereas** people with lived experience are experts in the nuances of housing and homelessness issues, and can provide important insights into related policy; and

**Whereas** people who are precariously housed or homeless face structural barriers (inadequate housing, transportation, income) that limit their meaningful participation in policy formation that concerns them; and

**Whereas** providing material support (compensation, stipends, transportation) is a step towards equalizing power imbalances, promoting inclusion, and building trust and supportive relationships with end-users;

**Therefore Be It Resolved That** Staff present a report and recommendations to improve the meaningful inclusion, and compensated participation of people who are homeless and/or precariously housed and/or have lived experience with homelessness or housing precarity, on all relevant City working groups, task forces, and committees; and

**That** this report include recommendations as to how the City will prioritize individuals that are in Kingston's homeless population, specifically women and Indigenous Peoples, through inclusive and targeted outreach to these communities; and

**That** this report be presented in the 4th quarter of 2021.

**Note:** Refer also to Report 60, Clause 1, Received from the Planning Committee

3. Moved by Councillor Osanic

Seconded by Councillor Hutchison

**That** City Council does not approve the staff recommendation of Report PC-21-035, 9 Couper Street, for the following reasons:

- the recommendation is contrary to the existing Zoning By-law 8499 which prohibits the extension, expansion or structural alteration of existing multiple-family dwellings that have the effect of adding new floor area or dwelling units in the One and Two Family Dwelling (A) Zone; and
- the recommendation is contrary to the existing Zoning By-law 8499 which allows one or two family dwellings, but prohibits a triplex; and
- the recommendation is contrary to the existing Zoning By-law 8499 which specifies that the minimum lot area must be no less than 370 square metres per dwelling unit and the application is requesting an amendment to 269 square metres per dwelling unit; and
- the recommendation is contrary to the existing Zoning By-law 8499 which specifies that the maximum residential building depth be the same as the

average of adjacent properties, that being 18.1 metres, and the application is requesting an amendment to 20.9 metres; and

- the recommendation is contrary to the existing Zoning By-law 8499 which specifies that projection of a development into yards have a minimum setback from the front lot line of no less than 4.5 metres, and the application is requesting an amendment to 2.2 metres; and
- the recommendation is contrary to the existing Zoning By-law 8499 which specifies that the off-street residential parking be 1.4 parking spaces per dwelling unit; therefore, 5 vehicle parking spaces are required; and the application is asking for an amendment to 3 vehicle parking spaces for 14 bedrooms; and
- the recommendation is contrary to the existing Zoning By-law 8499 which specifies that the parking area be up to 40 square metres of the rear yard or interior side yard and the application is asking for an amendment to 48.6 square metres.

4. Moved by Mayor Paterson

Seconded by Councillor M<sup>c</sup>Laren

**Whereas** Council received information in Report 21-107 that Parks Canada and Transport Canada have completed their assessment of environmental conditions and potential risks associated with contaminated river sediments in portions of Kingston's inner harbour and are proposing a project to remediate environmental risks; and

**Whereas** part of the information provided to Council on April 6, 2021 referenced a report authored in 2014 by Dr. Ken Reimer and the Royal Military College's Environmental Sciences Group – 'Application of the Canada-Ontario Decision-Making Framework for Contaminated Sediments in the Kingston Inner Harbour'; and

**Whereas** this report was received for review by the federal agencies and other members of the Cataraqui River Stakeholders Group; and

**Whereas** Dr. Ken Reimer, professor emeritus the founding director of the Environmental Sciences group at the Royal Military College and biology

professor Tamsin Laing from the Royal Military College have done extensive research on Kingston's Inner Harbour; and

**Whereas** Council has not had an opportunity to hear directly from them to ask questions on their research and report; and

**Whereas** they are independent experts that want to be arm's length from Transport Canada and wish to have a separate conversation with Council;

**Therefore Be It Resolved That** Dr. Ken Reimer and Dr. Tamsin Liang be invited to give a briefing at the July 13 Council meeting to provide some information on their report and answer questions related to their research.
