

MAAC Project Team Request – Director’s Approval

Project Manager: Katie Brennan

Project Contact: Katie Brennan, kbrennan@cityofkingston.ca

Project Name: City Hall Market St. Ramp Structural Repairs

Project Location: City Hall

Project Description: Provide a brief project overview including a description of the scope of the work and estimated timing for initial meeting and completion of the project.

The existing accessible ramp to the Market St. entrance of City Hall is in need of structural repairs. This project will complete those repairs beginning in November 2021 with an estimated construction time of 4 months.

The ramp will be inaccessible throughout construction. During this time, a temporary ramp will be provided to the Market Wing entrance complete with door operators and signage.

The project is currently at the design phase. The initial meeting and review of the design will occur at the end of August 2021.
