I am responding to the request for public comment regarding the above-noted minor variance application submitted by Tony Silva and Crystal Burgess. The application is to increase the size of a deck in their rear yard (1079 Finch St., Kingston) around their above-ground swimming pool from 30 to 90 square metres.

I have reviewed the information provided by the City of Kingston in its letter dated October 1/21 (Committee of Adjustment - Notice of a Public Meeting October 18/21, File D13-051-2021) and have no objections to the proposed size of the deck.

Thank you,

Debbie Fielding
