Subject: 96 Yonge Street, Bakery file # D13-078-2021

Hello — I am writing in regards to an Application for Permission at 96 Yonge Street (file # D13-078-2021).

Our house is located across the street/ around the corner at 101 Yonge Street.

I am writing to say that we have always found the Portsmouth Tavern to be excellent neighbours, and the additional use of their building as a bakery (at the back) has been most welcome. Both the tavern and the bakery augment the village characteristics of Portsmouth.

I (we) wholly endorse this permission to allow the bakery as a stand-alone business together with the (legal non-conforming) tavern.

Thank you for the notice and we look forward to continuing presence of the bakery in the neighbourhood.
