Notes

1. Fees have been approved through [By-Law Number 2005-10](#), 'A By-Law to Establish Fees and Charges to be Collected by The Corporation of the City of Kingston', as Amended.
2. The application fee has been calculated based on the information provided. The City may require additional information during the review of the application which could impact the total fee amount.
3. If this form has been completed by hand, the fee calculations must be completed and attached separately.
4. All fee amounts are in Canadian dollars and should be paid in Canadian funds.
5. To protect credit card information, do not submit payment information via e-mail or any other electronic means. Credit card information will only be processed by phone. Applications containing payment information that are submitted via e-mail or any other electronic means will not be processed and will be destroyed.
6. This application fee only applies to stormwater system components. For information regarding fees for sanitary system components please contact Utilities Kingston Engineering at ukengineering@utilitieskingston.com.
