

Final Property Tax Bill

2023-2026 City Council Strategic Priorities

City Council held strategic planning discussions in March 2023 to develop a strategic plan for the current Council term. Many of the priority areas that emerged through the strategic planning process reflect what was being heard from the community, such as: supporting housing affordability, leading environmental stewardship and climate action, building an active and connected community, fostering a caring and inclusive community, and driving inclusive economic growth. Council will be approving the final 2023-2026 Strategic Plan later this spring.

Assessment and tax appeal information
The Ontario government continues to postpone the previously scheduled 2020 Assessment Update. The province has indicated that property assessments for the 2023 taxation year will continue to be based on the fully phased-in January 1, 2016 current values (i.e., the same valuation date that has been in use since 2020).

If you have questions about your property assessment contact MPAC at 1-866-296-6722 or visit mpac.ca
If your property has undergone changes, you may be eligible to apply for a tax adjustment. For information and applications please go to CityofKingston.ca/Tax. Please note that taxes must be paid even if you are appealing your assessment. The City has no authority to cancel interest beyond the amount of tax reduction achieved if your appeal is successful.

Are you interested in receiving future tax bills by email?
The City is currently developing a portal that will allow residents to receive their tax bills electronically and view their tax account information. Your 2023 Final Tax Bill includes an Access Code; keep this code handy as it will be required to access this portal. Visit CityofKingston.ca/Tax for further information on this project.

University Hospitals Kingston Foundation and County of Frontenac 2023 levies
As per Council direction, the request from the University Hospitals Kingston Foundation as well as the amount levied by the County of Frontenac for the City’s share of Frontenac Paramedic and Fairmount Home for the Aged services will be billed as separate components on the property tax bills.
