2023 Interim tax bill

How was my 2023 interim tax bill calculated?

Your 2023 interim tax bill is based on 50 per cent of your 2022 annual tax levy. If applicable, past due amounts shown on this tax bill include pre-calculated interest, which is due if your account was not paid in full on or before Jan. 31, 2023. If you made a payment on your account between the billing date and Jan. 31, 2023, please call customer service at 613-546-0000 for an updated balance before paying your 2023 interim tax bill.

Payment Options

Property owners are encouraged to use the alternative payment options listed on the back of the property tax bill or visit [CityofKingston.ca/Tax](https://www.cityofkingston.ca/Tax).

You can also join the Pre-authorized Payment Plan. This plan is a convenient, worry-free and secure option to pay property taxes across 10 monthly installments.

Are you interested in receiving future tax bills by email?

ePost was retired in December 2022; however, the City is currently developing a portal that will allow residents to receive their tax bills electronically and view their tax account information. Your 2023 Interim Tax Bill includes an Access Code, keep this code handy as it will be required to access this portal in the future. Visit [CityofKingston.ca/Tax](https://www.cityofkingston.ca/Tax) for further information on this project.
