2024 Interim tax bill

How was my 2024 interim tax bill calculated?

Your 2024 interim tax bill is based on 50 per cent of your 2023 annual tax levy. If applicable, past due amounts shown on this tax bill include pre-calculated interest, which is due if your account was not paid in full on or before Jan. 31, 2024. If you made a payment on your account between the billing date and Jan. 31, 2024, please call customer service at 613-546-0000 for an updated balance before paying your 2024 interim tax bill.

Payment Options

Property owners are encouraged to use the alternative payment options listed on the back of the property tax bill or visit CityofKingston.ca/Tax. You can also join the Pre-authorized Payment Plan. This plan is a convenient, worry-free and secure option to pay property taxes across 10 monthly installments.

Are you interested in receiving future tax bills by email?

Our new online tax portal is almost complete. Coming this spring, property owners will be able to log in to view their account balance and their most recent tax bill. The portal will also provide easy access to e-billing or pre-authorized payment options.
